Android Developer

Desarrollador de Android

Company profile:

E2 communications (www.e2-online.com) is an emerging online marketing and full-service agency based in Vienna. Our team is not only active in Austria, but has proven itself successfully for several years in the international market.

E2 communications is looking for an Android Developer to join its team.

Job description:
- Android development in the field of sports information appliances
- Setup of an in-house Android team
- Work with different teams (product management, web design and web development)

Required profile:
- MSc or BSc in Computer Science or equivalent education and work experience with focus on mobile applications (sports data/sports betting would be a plus)
- Good knowledge and at least 2 years of practical experience with the Android Framework
- Experience in the design of graphical user interfaces and interaction concepts
- Extensive experience in dealing with complex data structures (XML /JSON)
- Experience with relevant libraries, BitBucket and project management tools
- Experience in client/server communication and Internet standards (REST, push, HTTP/S, ...)
- Advanced skills in Java, C/C++

Personal skills:
- Motivation to read into complex software projects
- Logical thinking and creativity in finding solutions
- Ability to work independently, analytically and structured
- Ability to integrate seamlessly into our Scrum Team
- Ability to learn new technologies and methods independently
- Interest and understanding in sports
- Fluent in spoken and written English

What we offer:
- Exciting and innovative challenges (Web, Mobile, Tablet)
- Ability to work independently in a young and international team
- Your own working area

Type of contract: unlimited

Working hours: full-time

Salary: The minimum gross salary amounts to 2463 Euro per month according to the Austrian collective salary and wage agreement for the sector. Attractive additional wages are possible, depending on experience and qualification.

If you are interested in this job offer then apply today! Please send your comprehensive application documents (cover letter, motivation letter and CV with photo in ENGLISH) for the attention of Mr. Martin Schütz to the following email address trabajarenaustria@advantageaustria.org, specifying the reference "Android Developer".
