Doctorate Enrollment

Students admitted into a doctorate program shall enroll annually for academic doctorate tutelage. Enrollment is formalized through the self-enrollment application or by means of an application ANNEX VI, sent to the Post-Graduate Office.

The steps you must follow to formalize self-enrollment are:

1. Apply for a service account at:
2. Make an appointment for self-enrollment at:  A date and time will be randomly assigned, as of which point you may enroll.
3. As of the date and time indicated in the appointment, self-enroll.
